

HSBC £200 CASS Switcher Offer

Terms and Conditions

17 April 2023

New customers are eligible for this offer if you meet the following conditions:

- apply for an HSBC Premier or HSBC Advance bank account (each an 'eligible account') on or after 17 April 2023 and before the offer closes or is withdrawn (view General terms section on page 2) and subsequently open that account
- instruct us to start a full switch of a current account, including at least two Direct Debits or standing orders, to your eligible current account using the Current Account Switch Service ("CASS") to start within 30 days of the date of your eligible current account being opened. Where your eligible current account is a joint account, at least one of the joint account holders must complete the switch from either a sole account in their own name or another joint account in the same names
- successfully switch your bank account using the CASS from an account of another UK bank or building society that participates in the CASS. To find out more, visit currentaccountswitch.co.uk
- within 60 days of the date of your new account being opened deposit at least £1,500 into your new eligible account (by one or more deposits)
- continue to hold your eligible current account on the date we make the Offer Payment

 **You will NOT qualify for the offer if:**

- you are an HSBC current account holder on the date of application or have been on or after 1 January 2020
- you have opened a **first direct** current account on or after 1 January 2020. You may hold a first direct current account and still qualify for this offer as long as the current account was opened before 1 January 2020

The Offer Payment

1. If you meet all of the eligibility criteria, we will make a payment of £200 (the "**Offer Payment**") to you within **20** days of either:
 - a) the switch completion date for your eligible account, or
 - b) the date you funded your eligible account with £1,500, whichever is later in time. The Offer Payment will be made by a direct credit into the eligible current account that you open.
2. If you open an eligible current account in joint names, and you and/or the other joint account holder meet the eligibility criteria set out in these Offer Terms, we will make one Offer Payment into that account. You and your joint account holder will not be entitled to more than one Offer Payment between you.
